

The church is loved by God.

Trees have big roots that keep them from tipping over and help the tree survive! Just like trees need roots, we need to be rooted in the love of Jesus when he lives in our hearts.

Take a look at the roots of this tree! Can you find your way from the roots to the top of the tree?

Name 5 people in our church who you will remind today of how much Jesus loves them.

"I pray... that you, being rooted and grounded in love, may have strength to comprehend with all the saints what is the breadth and length and height and depth, and to know the love of Christ." Ephesians 3:17b-19a
