

The church is where God's spirit dwells.

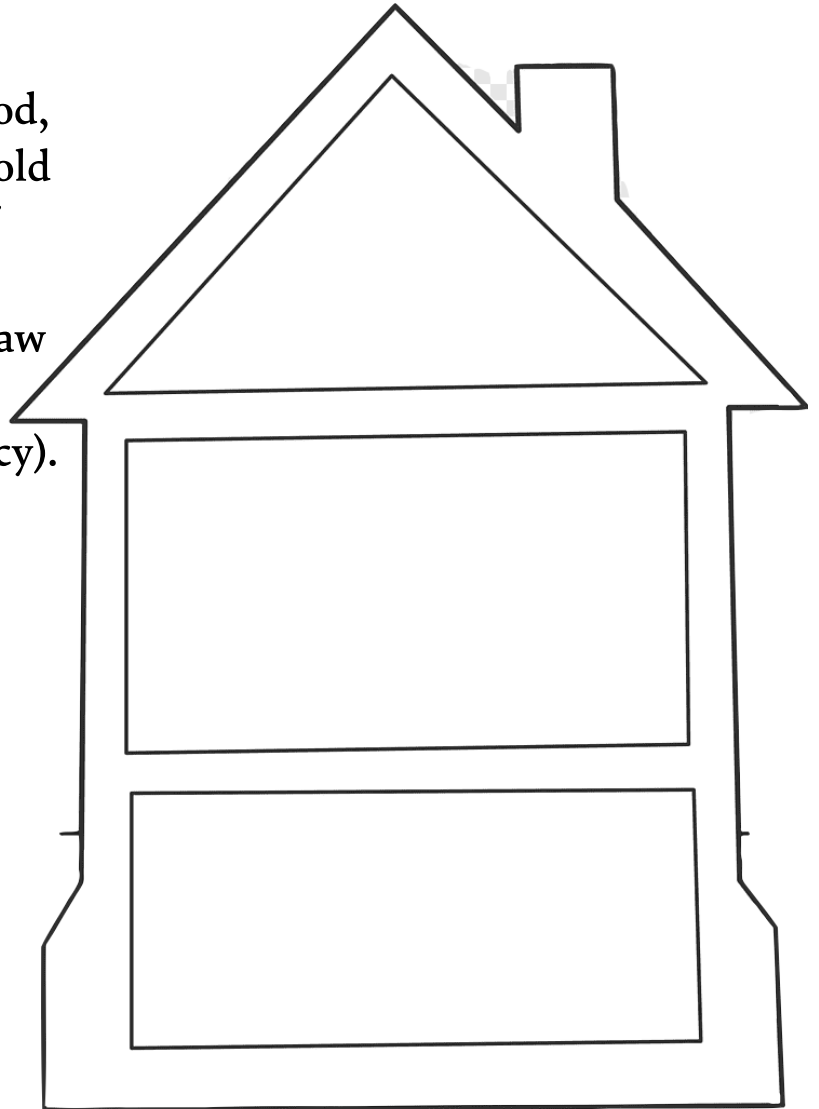

Because Jesus Christ made us sons and daughters of God, we are together the household of God. Write the names of lots of your “brothers” and “sisters” in the church or draw a few of them. (Don't forget to add Pr. Tracy).

What is a cornerstone?

A cornerstone is a stone that forms the base of a building, joining together two walls. It is the thing that makes the house stay together.

Who is the cornerstone of the church? Write His name on the base of the house.

Memory Verse:

“In him you are also being built together into a dwelling place for God by the Spirit.” Ephesians 2:22
