What an extraordinary performance. I took my daughter and we both enjoyed it. May God continue to use you both to enrich his kingdom.

Attended last night's performance of Clean Sheets at the Marcus Hook Baptist Church in Linwood, PA and wasn't really sure what to expect. This one woman dramatization was an inspiring, insightful, and empowering account of Miho's life story. It was a recounting of the adversity and the twists and turns that her life took on her road to discovery, redemption, salvation and the grace of God. Miho gives her audience a peek through the lens of her life as only one who had experienced it firsthand could. For certain this will not be the last time that I attend a performance of this dramatization and would highly recommend that anyone that gets the opportunity would attend a performance as well. It is truly life changing. May God's continued blessing be upon Miho, Dave and their family as they continue to glorify God

through the retelling of this inspirational story. With warm regards, Jill Seaton

What a way to share her testimony. What a journey she has been through and what a MIGHTY GOD we serve. Miho's skills on that stage was an experience I will never forget. A testimony I will never forget. Simply Awesome!

Wow, what an amazing gift Clean Sheets was. I laughed, I cried and I came away with renewed hope. God can and will work in all things. He will take our darkest, yuckiest moments and use it for His glory. Thank you Jesus for Miho's beautiful testimony.

Your story was powerfully performed. It is a testimony to God's love, power, and leading. And it is a reminder that God wants to continue changing our hearts and lives. May God be glorified!

I just saw this show last night. I did not know what to expect, but this was a superbly beautiful and moving performance. The story was graphic and creepy at times, but it made the message of redemption even more powerful. It made me think back to times in my own life that could have gone a different way, and forever grateful for what God saved me from. Thank God she survived to tell her story!

Evil is defeated! Miho's story is beautiful! Thank you so much for being obedient in sharing it and encouraging all of us! I will never forget it. As parents, you must watch this and bring your teenagers (or older). The parallels to today and abuse are direct. The good news though is that our 'fight is fixed' in Jesus and we win (if we accept his gift) because he already won. PTL!!!

Just want to express my appreciation for the show – it was indeed very powerful. I had the privilege of being accompanied by four fine young women and we were all touched. May God continue to use you both to tell His wonderful story of redemption.

Glory to God, this is a testimony of a true intervention of God's love. Miho, to see how our Lord and Savior is working through you in a profound and powerful way is a true blessing. This testimony is going to accomplish exactly what our Lord has set out to do in the lives of unbelievers. Miho this is exactly where our God has placed you, you are amazing and are going to reach the lost. The intentional fortune you have is so strong and uplifting for the truth of God. My heart sees and feels how God is going to open so many doors for you and your family. Our God is so big, he knows the plans he has for you. Thank you, this was a stunning performance and testimony. You , David and your beautiful children are in my prayers. In Christian Love, Susan McGrath

I just wanted to let you know that I attended your show tonight at Cheltenham, your story has given me the courage to move on from my past relationships, my past experiences and my past mistakes and just trust in God to take me where I need to go in life, you are one of the strongest people I have ever met and you have completely inspired me to get back to reading the word, thank you for your strength and your desire to help others through your journey. I will be telling everyone I know about you, and I will be praying for your success!

I'm not even sure where to begin in describing my experience watching the show. It was emotional and gut-wrenching, but incredible and so encouraging. There was much that I personally could relate to, whether it was experiences with friends, or my own emotions and experiences. But the main things I took away from the show were hope – with God anything is possible, for every person in every situation, and a reminder to trust – that God sees His bigger plan that we can't even begin to understand or even imagine. Miho's story is so inspiring and truly a gift from God for those willing to hear it.

Incredibly transparent, heart-wrenching, emotional journey. I laughed and cried through Miho's story and am still thinking about it! All I can say is thank you.

Clean Sheets was unbelievable. I expected it to be good...I just never expected what I saw! AMAZING! If you get the opportunity to see it — DON'T miss it! Bring a friend (and especially bring your kids — high school age and older). It is a true blessing!

I enjoyed Clean Sheets immensely. I can't even begin to articulate how potent and impactful this play was to me personally. Several young people that accompanied me from the church enjoyed it as well, and they indicated how the play spoke to them on many different levels in their lives. I'm so grateful that you decided to share this powerful testimony with us all. It is my prayer that the Lord grants you favor and open doors for the world to have this same privilege that we had by experiencing your testimony in dramatic form. If you haven't seen this play yet, you don't want to miss it next time....ruin has a date with redemption. May God Continue to Bless You and Yours.

Clean Sheets is an outstanding way to communicate the gospel to people who might not darken the door of a church service.

**“Miho Kahn delivered a stellar performance at Delaware County Christian School”**

*Review posted by: Debbie from Phoenixville, PA*

It is truly amazing how God can grow and transform people's lives. Miho Kahn is a testament to that fact. She delivered a stellar performance at Delaware County Christian School. Her movements, singing, and storytelling of her life evoked colorful images of brokenness, restoration, beauty, and faith. Her act took the audience to a wide variety of emotions and poignant reflections. Miho's husband, Dave played the piano masterfully. The music added a sentimental depth to the show. What distinguishes Clean Sheets from other theatrical pieces is the discussions and dialogue that were generated during the Q & A time. Clean Sheets challenged me to think about life's struggles and God's mercy and faithfulness. I strongly recommend Clean Sheets!
